

Classroom News

Class Name: Tiverton

Term: Autumn 2

School Of Rock

Tiverton class worked very hard; writing their own script, learning instruments, developing acting skills, learning lines and putting their all into producing a fabulous performance for their peers to watch.

Ethan G worked very hard editing the videos and adding music to the final edit.

Alex and Dante worked hard behind the scene, videoing, taking photos and working together to make a PowerPoint to run alongside the performance.

Dylan worked hard to learn the songs, to back up the cast.

The class were so excited to share the video they showed it in assembly.

Well done Tiverton Class, you Rock!!

Dates and events;

17th December – last day of term

4th January – return to school
