Class Name: Totnes Term: Autumn Term 2 2025-2026

Topic: Me and my Community

What we have been doing this term:

A busy term in Totnes building up to Christmas, full of brilliant learning and fun opportunities!

Back in November, we had a lovely afternoon at the Chase. We walked around a short route and lots of us were surprised how big the woodland area was and so close to school. The students really enjoyed the fun of locating big logs and moving them from one area to another.

We joined with Durham class to attend the cinema at the Corn Exchange in Newbury. The class enjoyed watching Dog Man and represented the school excellently with good manners and patience when out in the community.

In school, the class have continued to develop their cooking skills by following a variety of recipes and listening to instructions. Highlights have included gingerbread men, mince pies and vegetable noodles!

We enjoyed a few festive days last week with both the Rock Choir coming to school and the travelling Pantomime coming to perform a version of Snow White. It was lovely to see some of our students embrace the musical spirit and get up and have a dance!

A special mention needs to go to the students who were part of the Drama Group! They have worked really hard to practise their performance of Grandpa's Great Escape and performed brilliantly to other students and parents/carers who came in. It's amazing to see the courage and confidence develop in our young people when performing as a group.

Dates & Points to remember:

Term begins- Tuesday 6th January

Half Term- Saturday 14th February to Sunday 22nd February.

Some photos of us!
