Class Name: Term: Durham

Term 2 2025-2026

Topic: Heroes and Helpers

What we have been doing this term:

The highlight of the term was our Christmas performance of Peter Pan. Students worked hard to practise a scene showing the children and the Lost Boys getting ready for Christmas, just before Captain Hook sneaks in. They did a fantastic job learning the songs and performing together.

We were also pleased to welcome visitors from the Newbury Agricultural Association, who helped us learn more about farming and animals. Students enjoyed meeting a cow, a goat and a pig (wooden models) and learning how these animals are cared for.

During our sports sessions with MMR, students worked with an instructor called Callum, who focused on developing hockey skills. Students enjoyed practising coordination, teamwork and turn-taking, and showed great enthusiasm during these sessions.

We were delighted to welcome Rock Choir, who performed a range of festive Christmas songs. Students thoroughly enjoyed singing along and dancing to the music, creating a joyful atmosphere. The class also enjoyed a wonderful pantomime performance of Snow White, joining in with the songs, actions and humour.

Our end-of-term trip took us to Rocket Propelled Games in Newbury, where students played a range of board games and explored new toys.

We wish everyone a Merry Christmas and look forward to welcoming students back next term.

Some photos of us!

Dates & Points to remember:

Term begins- Tuesday 6th January
Half Term- Saturday 14th February to Sunday 22nd February.
