

# Classroom News

Class Name: Dover

Term: 2

Topic: Heros and Villains

## What we have been doing this term:

## Some photos of us!

This term has been all about building on the skills we developed in the first term, including developing our independence within the classroom and linking our learning to previous experiences.

In maths we continued to explore number, including place value, using concrete, pictorial and then abstract images. Spotting patterns, identifying what was the same and what was different as well as explaining our reasoning were all key steps.

Within English we have been exploring the grammatical structure of a sentence and applying this to the wolf's version of the three little pigs. Leading to the question of was he innocent and it was all a misunderstanding?

We had two fantastic trips to the cinema, to watch How to Train your Dragon and If, the students were so well behaved and a real credit to themselves and the school.

This term we have also continued with cooking a range of sweet and savoury treats led by Clare, the weekly shopping trip is a great community opportunity to explore money, interacting with others and food planning.

We also had a visit from Grant who is the Construction Manager for the new build at school. He gave a detailed talk about his job, the process for the new build, safety measures and we have a visit planned for January 2026 which we are all looking forward to.

The Dover team are so proud of the students and all that they have achieved this term. Have a wonderful Christmas break and we look forward to seeing you all in the New Year.

## Dates & Points to remember:

**Last day of term:** Thursday 18<sup>th</sup> December 2025

**First day back:** Tuesday 6<sup>th</sup> January 2026
