Class Name: Calshot

Term: Term 2 2025-2026

Topic: Community

What we have been doing this term:

This term Calshot class have enjoyed getting out in our community as part of our topic. We started the term with a visit from Fink St Food and made pizzas, filled potato skins and cheesecake. That week we also had a visit from Jan and Pam from The Newbury Agricultural Society who taught us how sausages were made. We even got to try some and made a breakfast wrap with some others. We visited Newbury Museum to learn about the history of Newbury. We have made our own PowerPoints about our visit. All of Post 16 visited Newbury Vue to see the film 'IF'. We made lots of Christmas items for our hugely successful Christmas market stall. We were invited to take part in St John's Church Christmas tree Festival so have been busy making hand-made decorations for the tree. Please pop in to the church and see our tree if you have time over Christmas. We also enjoyed our trip to the Garden Centre. Well done to Harry for singing in Japanese at our Post 16's Got Talent! In Life skills we have been learning how to use a washing machine, to understand clothes labels, ironed a shirt and learnt how to load a dishwasher.

Have a lovely Christmas!

From

Karen, Helen, Rachel, Lisa and Lorraine

Some photos of us!

Dates & Points to remember:

Last day of term: Thurs 18th Dec 3pm

INSET day: Mon 5th Jan (no students)

First day back: Tues 6th Jan
