

Classroom News

Class Name: Conisbrough

Term: Term 2 2025-2026

What we have been learning this term:

Conisbrough have had another brilliant term in the run up to Christmas! This term in D&T we explored various artists, including Henri Rosseau, Keith Haring and Henri Matisse. We learned about their lives and their passion for art and then used paint and collage techniques to create some fantastic works of art in their styles. We also learned how to construct a suspension bridge and how to construct a Da Vinci bridge without the use of string, screws or glue.

Students have continued to learn English skills around the food industry, looking at the contrast between formal and informal writing. They applied for an imaginary job in a restaurant and practised speaking and listening skills by role playing interviews. They wrote letters of complaint and looked at features of successful TV shows ready to pitch an idea for one of their own. We also linked this with cooking for a bake sale when students showed their audience how to cook as if presenting a TV show.

During Maths lessons, students covered shape, exploring area and perimeter. In Science some students studied the skeletal and muscular systems; others studied growth and differentiation.

We were very lucky to have the opportunity for a talk from WBTC about apprenticeships & their fresh start programme. Some learners also had a go at some virtual work experience with the NHS team.

We also experienced our first assignments for Personal Growth & Wellbeing and I could not be prouder of every student and how they have been working hard in their lessons.

Our highlights:

Jack – D&D Club

Lilly – looking into her future plans

Izzy – Spending time offsite with Loren

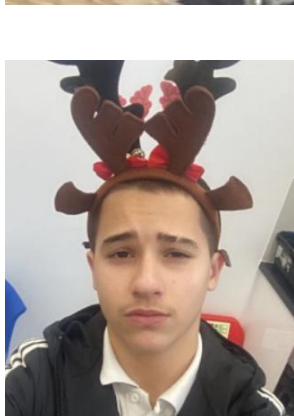

Christopher – Mechanics at Autoskills

Jay-Lee – continuing to go to Raw Mentoring

Connor – Parkour

Haydon – Spending time with his peers

Some photos of us!

Dates & Points to remember:

Last day of term: Thursday 18th December 2025

First day back: Tuesday 6th January 2026
