Class Name: Term: Powis Class

Term 2 2025-2026

Topic: Down In The Jungle

What we have been doing this term:

Powis have done so much this term. We have been exploring our "Down in the jungle" topic. Looking and listening to jungle animals in phonics, dancing along to our Circle Time song, "Dance to the Hatching Beat", and exploring animal toys and sensory play in adventure time. In Cooking we have been practicing our chopping and slicing to make delicious treats such as salad, tray roasted vegetables, apple pie and mince pies! In Maths we have been exploring numbers through songs and puppets and improving our drawing skills and knowledge of shapes. In Bucket Time we have had fun dressing for the winter, everyone was having a go! In Music we've been sharing our love of music, dance and playing instruments, everyone has really enjoyed trying out different instruments and learning about sway and march music! In Art we have been practicing our cutting sticking skills while creating jungle scenes and colouring and painting jungle displays. We've enjoyed making sensory bottles on Bonfire night and our seasonal sensory story "It's Cold Inside!!" has made for a very fun story time session.

We at Powis class wish you a happy holidays and look forward to seeing everyone again in January.
