Class Name: Term: Wallingford

Term 2 2025-2026

Topic: Community

What we have been doing this term:

What a term! I was wondering why everyone was so tired but looking at all that we have experienced and achieved during this half term, I am no longer surprised.

We have continued our learning about important community places by learning about the people and places that help us. We visited the fire station as well as leaning about hospitals and medical professionals, dentists and police officers.

Students have continued to experience the world of work with the leisure team at Thatcham Park Care Home and with visitors like Beard Construction and PromoTrade. Our Christmas market was successful with students serving their families and members of the community too.

Trips in the community to Millets Farm and the Corn Exchange, cinema and to see Singing Hand were a blast.

Merry Christmas one and all – Emma, Michalea, Tracy, Mav and Sharon xxx

NEWBURY MARKET

CORN EXCHANGE PANTOMIME

Dates & Points to remember:

Last day of term 2: 18.12.25
