Class Name: Tiverton

Term: Spring 1 2022

What's on Your Plate!

In Tiverton Class we have been working hard finding out about countries around the world for our topic 'what's on your plate'. We then looked at what different types of foods those countries have and what people like to eat. Tiverton had a go at creating these foods. We made stir-fry noodles/curry/crepes/cottage cheese pancakes (Syrniki)- very gooey! /apple tea/samosas and Russian sweet zucchini pancakes.

As well as researching countries, we have also looked at the World Wars and how they had to ration their food. We discussed how difficult it would be to ration our food now and how difficult it would be not having our yummy treats!

In maths we have focused on money and using it in everyday life. Through role play, we used coins, bought items, totalled amounts and worked out how much change we would give/receive.

English, we have created stories, looking at what makes a good story. Tiverton used their imagination to create fabulous short stories and long novels which they were proud to share with the class and at home.

For P.E we have had a go at improving our fitness each week through circuits. We have also focused on using the hurdles.

Dates and events;

Monday 21st – 27th February – Half term
Thursday 3rd March – World book day
