**Class:** Plympton Class

**Term:** 3 2022

## What we have been learning this term:

**We** hope you have been enjoying the recent spell of mild weather as much as Plympton class? Pupils have been out in the sunshine at Growing Together, preparing the ground ready for spring.

**This** term, our topic has been 'Diversity.' Pupils are exploring the different nationalities that make Newbury such a wonderfully diverse town. Four countries were chosen, Great Britain, China, India and Poland. We have been exploring the culture, food and environment. Our display is coming along nicely. The British Yorkshire Puddings were superb!

**We** have joined together with Wallingford class to creatively explore the season of 'Winter.' Pupils brought winter poetry to life through the use of call & response and the parachute. Lots of fun was had being in the centre of the parachute snowstorm!!

**In** life skills some pupils have been making their own early morning snack. They have followed the visual recipe and the necessary health and safety points.

Hope you have a lovely half-term.

## Plympton's WOW moments:

**Cameron** You've loved singing and signing the song '10 little ducks.' Especially when mother duck gets angry! Great job at sequencing and counting up to 10!

**Louise**, has been showing the class how skilled she is at Makaton. During our PSHE, 'Exploring Emotions' lessons, Louise has helped the class learn the signs for the different types of emotions that we feel.

**Philip**, has been really focused during Maths, using lego bricks for one digit addition and ordering numbers up to 20. Great work!

**Oliver**, has started work experience at Baydon stores in Lambourn. You have shown how helpful and mature you are by serving customers politely and helping them to the car with their groceries.
