

Classroom News

Class Name: Cardiff Term : Spring 1 2022

What we have been learning:

This term our topic has been 'Pets'. In English we have looked at fiction and non-fiction books about pets and a pet shop. We have also explored what pets need to stay healthy including water, food and exercise. In PE, we have explored the big apparatus in the hall. We have climbed, slid and pulled ourselves up slopes with our arms.

Magic moments-

We have had lots of magic moments again this term.

Sienna has had an amazing term. She is engaging brilliantly with adults and letting them play alongside her and copy her actions.

Josh has been really musical and been doing lots of singing in lessons. Sonny has been loving the ipad and singing along to Greatest Showman songs. It has been lovely hearing them sing, maybe we can build up to a duet! James D has enjoyed mark making in art and has been enjoying making patterns with paint using a paintbrush and bubble wrap.

James L has worked hard at his Maths and has been describing how many sides shape have. Eric has worked hard using his PECs book to request 'more' and make staff carry on pushing him on the swing.

Tom has been working hard to use symbols to tell us what he wants or where he wants to go. He has used 'go' to tell staff to push him on the swing.

Lily has been very determined to get what she wants by selecting a symbol of the toy she wants.

Chester has been fabulous at using his communication book to tell us what he wants. He has even touched three symbols to make a sentence.

Dates to remember-

Half term Monday 21st to Friday 25th February

Some photos of our learning
