

Classroom News

Class Name: Totnes

Term: Spring 1

Topic: What is on your plate?

What we have been learning this term:

English: This term our focus has been recipes to include editing and improvement, understanding and writing a command sentence and imperative verbs.

Maths: This term we finished off our learning all about money, where we adding money and making amounts of money using a combination of coins. We have now moved on to Statistics.

Topic: Farming has been the theme and we have learnt about arable and dairy farming. We were fortunate to have a Zoom with a real farmer from Monmouthshire and wrote about the journey of milk from cow to shop.

German: We have covered lots in German to include numbers, colours, days of the week, months of the year and body parts. Next term we will look at Germany as a country, with a more geography focus.

Life Lessons: Our Life Lessons began with us learning about different types of relationships and moved on to loving relationships and finally conception. We have just started our digital wellbeing topic and will continue with it next term.

Home Skills: We have been busy practicing a range of skills to include tying our shoelaces, making an emergency telephone call and sewing on a button.

Science: We have been fascinated to learn about our digestive System, following the journey of food in and out!

Our Star Moments!

Time now to share some golden moments from Totnes:

Charlie: Great Money Maths Charlie, adding large amounts of money and telling us the coins and notes needed too!

Emily: We have been super impressed Emily by the improvement in your handwriting – Keep it up!

Sam: Thank you Sam for all of your contributions to our class discussions, listening well and accepting the opinion of others.

Troy: You have been mesmerised by the journey through the digestive system and followed using your finger, asking questions.

Layna: Well done Layna for preserving when tying your shoelaces, we know how tricky you found it.

James: You are so proud of your Sports Leader T-Shirt, wearing it with pride as you lead the warm-up in PE.

Jack: Well done Jack for asking Emma the dairy farmer about how to get into farming when you are older. She gave you some great advice.

Jonny: Jonny you have wowed us with your dancing in exercise and we all love to hear you sing along to the tracks.

Katie: Thank you Katie for being so considerate of others when on the bench at lunchtime and sharing Louise and Jo

Harvey: Well done Harvey, we have certainly seen an improvement in your sentences, remembering those finger spaces, yay!

Harry: It has been so wonderful to see you coming out of your shell; you have made me laugh so much!

Some photos of us!
