

Classroom News

Class Name: Arundel

Term: Term 3 2023-2024

What we have been learning this term:

Even though this has been a short term, we have once again packed lots in! Offsite everyone has enjoyed visiting Smelly Wellies and caring for all the animals, especially the guinea pigs (all 16 of them) and the cuddly chickens!

Students have also had the opportunity to try indoor climbing which was quite challenging in the beginning yet really rewarding as everyone made progress with each daring climb, pushing themselves out of their comfort zone.

In English we have been learning about the devices used by writers to create action and atmosphere in stories such as Dracula. We have looked at space in science and factors and prime numbers in maths. We have learned about the solar system and even had the opportunity to look up close at meteorites, Martian and moon rock.

Some students have also been really successful at Coding using Scratch, creating their own short animations.

Students continue to enjoy the chance to cook regularly and have made ice-cream by hand by shaking it, chocolate brownie cakes and macaroni cheese. We also make sure we fit in some collaborative games and a walk to the park.

Arundel Team

Karin, Katie, Kelly and Michelle

Some photos of us!

Dates & Points to remember:

Last day of term: Friday 9th February

First day back: Monday 19th February

Trips for Spring 2: Tuesdays – Parkour - Indoors

Thursdays – Earth Trust (with packed lunch) Outdoors
