

Classroom News

Class Name: Lincoln

Term 3 2025-2026

What we have been doing this term:

This term, students have taken part in a fantastic range of offsite activities, including Earth Trust, Gym, Smelly Wellies, and Climbing. Their enthusiasm and teamwork during these sessions have been wonderful to see.

English has been a real highlight this term. Students have shown excellent engagement while diving into *Oliver Twist*, particularly when reading chapters aloud to the class.

In **Maths**, students have been exploring **graphs**, showing impressive determination and perseverance.

Science has been electrifying—literally! Students have enjoyed building both **series and parallel circuits**, as well as investigating how to measure current and voltage using **ammeters and voltmeters**.

This term in **Cooking**, students have been busy creating delicious dishes such as scones, chilli con carne, and pasta bake. The confidence developing in the kitchen has been fantastic.

Our **Project** lessons have taken us back in time to explore **The Industrial Revolution**. Students have learned about major inventions and the significant changes they brought to society.

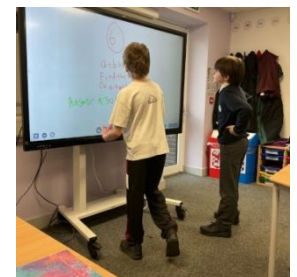

In **PSHE**, we have been learning about **alcohol** and its effects on the body. Students approached this topic with maturity and thoughtful discussion, gaining important knowledge for their wellbeing.

Have a great half term!

The Lincoln Team

Gabs, Lauren, Kirsty, Jonny, Linda and Denise.
