Class Name: Cardiff Term : Spring 2 2022

What we have been learning:

This term our topic has been 'Fairy Tales'. Our story has been 'Goldilocks and the three bears'. We have explored the sensory story and linked our English and Maths learning to the story too. In Maths we have looked at sizes and finding big and small items like Daddy and Baby Bear's items in the story. We also began to explore capacity and full and empty. School began to open up and we were able to visit different places around school and have other classes visit us. Totnes came to visit and we all had an afternoon of musical exploration.

Magic moments-

Sienna has had an amazing term. She has been exchanging symbols to make requests for food. An incredible achievement Sienna. Lily has also been using symbols to select what she wants from her lunchbox. Another amazing achievement. We are very proud of you both. James L has loved retelling the story of Goldilocks using the Happyland set. Chester has been asking for things using his communication books and touching 'I', 'want' and then the item. Well done Chester.

Dates to remember-

Term starts- Monday 25th April
