

# Classroom News

Class Name: Pembroke

Term: Easter 2022

Topic: Once Upon a Time

## What we have been learning this term:

We have had another busy half term in Pembroke Class!

Our topic this term was 'Once upon a time'. We focused on the story of the 3 little pigs. We enjoyed joining in with the story, and dressing up like the characters.

In maths, we have been focusing on positional language. We were exploring whether teddy was 'on', 'under', etc. the box. We then even had a go at getting in the boxes ourselves! Some of us were also identifying different everyday objects and how they feel.

In English, we have been focusing on answering different levels of questions about our story. We have also been forming sentences about the story based on what we could see, hear and touch.

We have loved another half term of cooking (fairy cupcakes, and Easter nests so far!).

Since the weather has been so nice, we have taken a few lessons outside as well. Food play on the playground sure did make a mess!

The children have really extended their learning into adventure time this half term. We have seen lovely role-playing, sharing and curiosity.

Sensory circuits has been a new session for us this half term. It has been about getting the children's bodies moving at the beginning of the day, and ready for learning. We have really been able to see the benefits in this session.

Of course, swimming has been amazing. We have seen the children become more confident-holding their noses and ducking under the water. We have also been learning some other key skills, such as floating in the water like a starfish, and kicking our legs.

We also welcomed Courtney (a PGCE student) into our class, and she taught us some lovely lessons. We will miss her lots, but wish her luck in her next adventure.

Have a great Easter Break from Pembroke Team.

## Some photos of us!

## Dates & Points to remember:

Last day of term: Friday 8<sup>th</sup> April

First day back: Monday 25<sup>th</sup> April

May Day Holiday: Monday 2nd May 2022
