Class Name: Pendennis Term : Spring 2 2022 Theme: What's on our plate?

What we have been learning:

Hello Everyone,

I have my usual problem of having too many photos and not knowing which to use. I decided to do more photos and less words!

As you know we have been practising our money skills this half term and putting these skills to use with our daily tuck shop and weekly trips to the shop.

In English we have been using the story The Little Red Hen as our focus to develop our reading, writing and communication skills. We have used role-play to act out being the different characters.

In the afternoons, we have enjoyed making pizzas in cooking and travelling around the world, trying different foods on a Tuesday. In Art on a Wednesday we have been practicing our sculpting skills. Thursdays have been PSHE and we start each week with game playing, which has been very successful.

Friday afternoons are when we have been going to the shops. If we are not able to do this we have been working on our gross and fine motor skills.

To end this term we have been on a bear hunt ready to go on an egg hunt in the last week.

Hope you all have a super Easter break,

The Pendennis Team.

Dates to remember

Last day of term is Friday 8th April 2022

School starts back on Monday 25th April 2022
