Classroom News

Class Name: Conway Term: Spring 2 2022

What we have been learning:

Some photos of our learning

This term our topic has been 'Fairy Tales' and we have read and explored many different stories this half term. We read the story of the Gingerbread Man and had a go at making our own gingerbread men. We made our very own porridge and tasted it just like Goldilocks and we made some special three little pig cakes with pink icing.

We have been practicing our independence skills through cooking and we choose our own fillings and then made a sandwich.

When the weather was nice for that short time, we enjoyed time outside in the sunshine and made the most of taking our learning outside. I hope that the sun will return after Easter and we will get to do this a bit more.

Hydrotherapy has been a big hit this term and we are looking forward to trying the trampoline and rebound therapy next term.

Everyone in Conway has worked hard this term and we are so very proud of everyone. Have a lovely holiday from the Conway Team

Dates to remember -

Last day of term: Friday 8th April First day back: Monday 25th April

May Day Bank Holiday: Monday 2nd May
