Class Name: Wallingford Term: Term 4 2023-2024

Topic: Through the Key Hole

What we have been doing this term:

A short and busy half term for Wallingford Class. The pupils have been brilliantly with all of our outings and work.

Out in the Community we have visited Beaulieu Motor Museum. It was a very chilly and windy day but highlights included a ride on the very old bus and the Top Gear Exhibit. We have been on regular trips to Growing 2gether near Kingsclere planting vegetables from seed in the classroom and then thinning them out to our poly tunnel.

Post-16 attended a table cricket tournament where we won 2 lost 2 and came in 5th place over all. It was a great day and everyone was a fantastic sports person.

In Cooking, we have made cheese toasties and milkshakes, savoury pretzels and chocolate brownies. The class continue to work on following recipes and understanding what equipment is needed for specific recipes.

We made the most wonderful cards that sold out at Newbury's market – thank you to all those who came down and supported us.

Have a lovely Easter and see you in a couple of weeks.

Emma, Michaela, Jessie, Laure and Maveric
