Class Name: Oxford Term: Term 4 2023-2024

Topic: Healthy Me!

What we have been learning this term:

Our topic "Healthy Me" has continued this term.

English: This term we have been looking at sports and athletes. In preparation for the summer Olympics we have looked at sports facts and also wrote our information sheets about different sports and athletes.

Maths: We have explored 2D and 3D shapes at the start of the term then started to work on measurement including length, height, and mass.

Vocational Studies: Our focus this half term has been sports and leisure, we have explored sports and leisure facilities within the local community and will have a visit to Northcroft at the start of next term.

Citizenship: We have looked at money management, We have explored different types of bank account and credit/debit cards. We finished off the lessons by looking at budgeting. We will continue to look at money management next term too.

ICT: In ICT we have been editing photos. We have learnt how to recolour images and also how to make changes to an image to remove and add elements to a digital image.

History: Keeping with the theme from vocational studies we have been looking at the history of entertainment and leisure. Each week we have learnt about a different element of leisure such as; cinema, holidays, sports and music.

Cooking: This term has been all about quick and easy meals and snacks. The class have been cooking as independently as possible to be able to make themselves a snack for their breaks.

PSHE: The class have been having discussions around relationships and what is healthy and unhealthy behaviour within relationships. We have included family, friendships and romantic relationships.

Some photos of us!
