

Classroom News

Class Name: Cardiff

Term: Spring 2

Term 4 2025-2026

Topic: Under The Sea

What we have been doing this term:

It may have been a short term- but we have been very busy!
We have said goodbye to Sophie, one of our support assistants, and hello to Cath a well known support assistant to all our children.
Our topic this term was 'Under The Sea'. We focused on the book 'Shaun the Shy Shark' which helped to further our knowledge and understanding of all different animals under the sea. We have decided on our favourites and had many artistic, creative moments where we have created some of our own under the sea creatures.
In Maths, we have been exploring capacity with water and also sinking and floating. In one of our science lessons we looked at why the sea is salty and the children loved exploring the experiment and seeing items sink in plain water and float when in salty water!
In Literacy, we have been focusing on developing our descriptive sentences and developing our fine-motor skills to help improve our writing!
We have also had lots of fun out on the bus each week and especially when we went out on our school trip to the theatre! The children all walked through Newbury and the theatre and followed their social stories beautifully!
Have a wonderful Easter- Chloe, Kirstie, Ronnie, Skye and Cath.

Some photos of us!

Dates & Points to remember:

Friday 27th March – Term 4 ends
Monday 13th April – Term 5 starts.
Monday 4th May – May Bank Holiday – No school
