Class Name: Cardiff

Term: Spring 2

Term 4 2025-2026

Topic: Under The Sea

What we have been doing this term:

It may have been a short term- but we have been very busy! Our topic this term was Under The Sea.

We focused on the book 'Rainbow Fish' for this topic.

In Maths, we have been exploring capacity with coloured rice.

In Literacy, we have been focusing on developing our fine-motor skills, through everyday activities (pegging the washing out!).

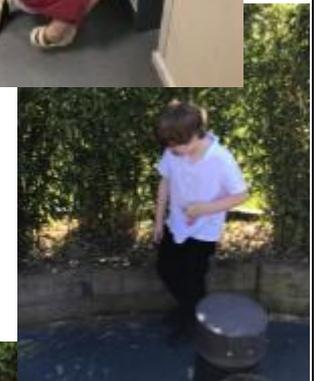

We've had lots of fun in adventure time, with the addition of some new toys: a kitchen, Barbies and Bing toys.

We have had some inclusion opportunities with older students from Oxford Class this half term. It's been lovely to play games with them. They even helped us when we visited Liddington building's field!

We have also created lots of master pieces through process art this term. We painted fish with bubble wrap, transferred colour onto paper when mixed with shaving foam- and much more!

Have a wonderful Easter- Becca, Chelsea, Shannon, James and Amber

Some photos of us!
