Class Name: Blaise Term: Spring 2 2025-2026 Topic: Truckers, Diggers and Wings

What we have been doing this term:

Blaise have had such a fun-packed term. We have welcomed a new Music Therapy provision in the form of our favourite YouTube celebrity and his wife, Tim and Carmen Godwin, who are joining us once a week to deliver their 'Wow Now' sessions. The staff and students absolutely love their ½ an hour with these two, it's a superb way to brighten up a Wednesday morning.

We also went on a trip to the Corn Exchange to see a performance of The Gruffalo's Child. Having lunch in their cafe beforehand and experiencing the wider community was a great success. We could really see how the students have developed and grown in their confidence at being in new environments. I was very proud of them.

This term we have been focusing on flying as our journey of choice. The students have all experienced the sensory elements of an airport, checking in, passing through security, exploring the many shops in the departure lounge and then boarding their flight, with an ear-popping take off and refreshments served on board, before landing in sunny Spain. It's been a fun few weeks with a new instalment each session and everyone has enjoyed their journey from touching popping candy with wet hands to dressing up as a pilot or airhostess.

In art we have masked off areas of cardboard with a plane silhouette and explored paint mixed with water and the effect of air moving over it to create sunset flight pictures using a hair dryer attached to a switch.

We also had a few things to celebrate this term. Our eldest pupil, Sahithi, turned 18 so we had a little party in the form of a pamper day for the students with foot spas, massages and manicures. We also celebrated our mums for Mother's Day by making cards and bouquets for them, using our communication skills to select the colours and waking our hands up in shaving foam mixed with paint to create their designs. Toward the end of term, we prepared for Easter by making cards and decorating eggs for our Easter tree.

It's been a messy but fun few weeks and we are so excited for the warmer months ahead so that we can get outside more.

Some photos of us!

Dates & Points to remember:

- Last day of term: 27th March
- First day back: 13th April
- May Bank Holiday: Monday 4th May – No school
- Term 5 ends: Friday 22nd May
- Term 6 starts: Monday 1st June
