

Classroom News

Class Name: Portchester

Term: 4

Topic: What is money?

What we have been doing this term:

It's hard to believe how quickly this term has flown by — it may have been short, but it has certainly been jam-packed with exciting experiences and learning!

One of our highlights was a visit from Dan at *Try a Train*, who spoke to us about travel and how to use the railway safely and confidently. We also welcomed Neil, the Waste Minimisation Manager from West Berkshire Council, who delivered an engaging workshop all about recycling. Portchester took part in sorting activities and learned a lot about how to reduce waste and look after our environment.

We also enjoyed a trip to the cinema where we watched *Bad Guys 2!* Another creative highlight was our visit to The Base gallery, where we worked with a resident artist to create our own beautiful ocean collages. Portchester showed great imagination and creativity in their artwork.

We made the most of the lovely weather with a couple of sunny trips to the park, giving us time to relax, play, and enjoy being outdoors together.

In cooking, we had lots of fun experimenting by making egg-free cakes using fizzy drinks — a surprising and exciting method! We baked these cakes to share with Dover Class as part of our World Book Day celebrations, which made the occasion even more special.

In Maths, we have been exploring weight and really enjoyed the hands-on challenge of balancing scales. We have also been learning about capacity through water play and potion-making activities, which were both fun and engaging ways to develop our understanding.

It has been a fantastic term-Thank you for your continued support from Terri, Michelle, Charlotte and Lily. 😊

Some photos of us!

Dates & Points to remember:

Last day of term: Friday 27th March

First day back: Monday 13th April
