

Classroom News

Class Name: Thornbury

Term: Term 4 2025-2026

What we have been doing this term:

Some photos of us!

In Maths, we have been looking at different statistical measures, such as scatter graphs and finding averages from data.

In English, we have started looking at the Functional Skills curriculum. This has been so exciting to see what would be expected of us in years to come.

Thornbury love cooking! This term, we have made fudge, tacos & pierogis.

In DT, we have been focused on gardening. We have investigated what the garden needs before the Summer and started to work on this with B. This has also included practical woodworking projects, such as making a CAM toy and working on our sanding skills.

Thornbury also looked at what is within our circle of control during our PSHE work this term.

Our Highlights:

Wilf: Cooking lots of tasty treats

Teegan: making PowerPoints

Alfie: making the pierogis

Dates & Points to remember:

Last day of term: 27th March 2026

First day back: 13th April 2026
