

# Classroom News

Class Name: Conisbrough Term: Term 4 2025-2026

Topic: Environment

## What we have been doing this term:

## Some photos of us!

In Maths, we have all been looking at shape, space & measure across the different level of Functional Skills they are studying.

In English, we have been looking at different forms of writing, with an overarching theme of the Environment.

In World of Work, we have been focusing on teamwork. In PGW, we have explored the idea of emotional wellbeing.

In Science, we have all been looking at circuits – this has been a lot of fun as we have had a lot of practical learning!

Food Tech has been great, we have learnt about provenance in our theory sessions and cooked some delicious items such as toad in the hole & cottage pie!

Conisbrough have had a lot of fun during their various BTECs, including Art, Health & Social, Land-Based Studies & Vocational Studies.

We have also been lucky to have some incredible offsite opportunities, including Smelly Wellies Care Farm, Autoskills Mechanics Work Experience, RAW Mentoring 1:1 sessions & Earth Trust for those studying Land-Based Studies.

## Dates & Points to remember:

Last day of term: 27<sup>th</sup> March 2026

First day back: 13<sup>th</sup> April 2026
