

# Classroom News

Class Name: Calshot

Term 4 2025-2026

Topic: Pop Culture

## What we have been doing this term:

We started the term with celebrating Chinese New Year. Some students learnt how to write their names using Chinese calligraphy, others made Chinese crafts and some made spring rolls. We had Ian Brown, author of Albert the Tortoise books, come to visit us to coincide with World Book Day. He told us all about his work in TV and how he'd worked on The Simpsons and Top Gear. In art we have been studying a topic on printing. The students have been busy making prints with a variety of different materials including printing ink, polystyrene tiles, sun paper and Japanese hammer prints. In cooking the students have been working on their independent cooking skills, taking what they were taught last term and seeing if they can recreate the dishes again, but this time independently. In life lessons we have been learning how to keep ourselves safe. We have looked at potential hazards around the home and at Post 16 and how to make a 999 call. We have looked at first aid kits and some basic first aid and keeping ourselves safe on the roads. In PSHE, we have been looking at how to take care of ourselves. We have looked at sun safety, breast and testicular checks, smear tests, and Annual Health checks. In topic, we have been busy researching about our chosen decade's pop culture and preparing a Power point presentation all about it.

Have a lovely Easter!

*Karen, Helen, Rachel, Lisa and Lorraine*
