Class Name: Wallingford

Term: Spring 2 - 2025-2026

Topic: Popular Culture

## What we have been doing this term:

Wallingford continued with last terms theme of popular culture. We have looked at Fashion, Food and Restaurants and Toys and Leisure.

When looking at fashion we explored types of shops and what they sell, having a good look around town and sharing the type of clothes we enjoy wearing. This is when we completed our fabulous tie dye bags. We talked about our favourite foods and restaurants and practiced our ordering skills so that we could visit the Hatchet and order breakfast independently. Everyone did really well!

We have kept ourselves busy, even though the term has been short! We tried our hands at candle making for mother's day gifts and students have been visiting the Care Home or Foodbank as part of their work experience.

Everyone has missed Mav this term as he has been helping out in Chepstow class at Love Lane – we look forward to him coming back after Easter! We have been lucky enough to have Lydia join the team for a few weeks and she has helped us keep everyone happy and settled.

Have a great break,

Emma, Michaela, Tracy, Sharon and Lydia

## BREAKFAST AT THE HATCHET
