

# Classroom News

Class Name: Cardiff

Term: Summer 1 2024-2025

Topic: Bug life

## What we have been doing this term:

This term in Cardiff class our topic has been bugs life and exploring all the different bugs we may see.

In English we have been focusing on our reading and writing skills. The pupils have enjoyed exploring lots of different books and following the lines on some of our bug pencil control sheets.

In maths this term we have been focusing on colour sorting and counting the ladybug spots. We have become very confident pointing to each spot on the ladybird.

This half term we have started using the rebound trampoline in our P.E session with Averil. It's been a joy to see the pupils gain their confidence on the trampoline as well as starting to communicate if they would like more or finish.

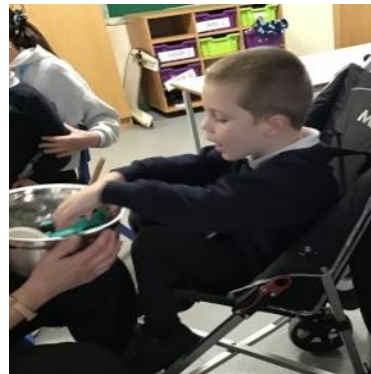

The pupils in Cardiff have been doing so well with their transitioning to different places within the school ground. The highlight of the week has to be transitioning over to secondary field and meeting all the other pupils over there.

We have just started to adventure over to secondary library. The pupils have enjoyed exploring all the books within the library and sitting with an adult to read.

It's been a brilliant term learning about all the different bugs and exploring the different places within castle school!

We hope you have a lovely half term ☺

## Some photos of us!

## Dates & Points to remember:

End of Summer 1 – Friday 23<sup>rd</sup> May

Start of Summer 2 – Monday 2<sup>nd</sup> June

School photos – Monday 16<sup>th</sup> & Tuesday 17<sup>th</sup> June
