

Classroom News

Class Name: Skipton

Term 4 2024-2025

Topic: Ready Steady Grow

What we have been doing this term:

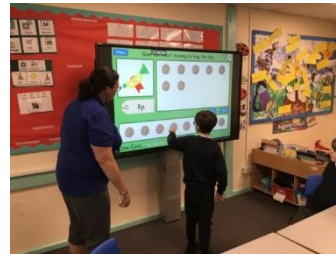

Some photos of us!

What another wonderful term we have had. Every morning everyone has been work hard on their SAP targets and individual maths and literacy targets, including reading.

We have had our first trip to Youlbury for Outdoor Adventurous Activities. Everyone listened to the instructions given and very much enjoyed being outside. It was wonderful to see everyone push themselves individually during their activity to progress and achieve.

Through topic we have looked at writing instructions and have had ago on Clicker to write instructions for planting our sunflower seeds. In topic time we have planted potatoes and sunflowers so far. We have enjoyed seeing them grow and are keeping record of their growth through measuring. This week we will be looking at the art work by Van Gough 'The Sunflower' and will be having ago ourselves to be still life painters, using a vase of flowers.

In maths we have continued working on number, including addition and subtraction. Also looking at money and buying items at the pretend shop.

Dates & Points to remember:

Last day of term: 23rd May

Return to School: 2nd June

Youlbury: 9th June Packed lunches and non-uniform

Sprouts Play Barn: 16th July Packed lunches
