

Twizel Classroom News

Term: Summer 5 2024-2025

What we have been doing this term:

Our students have been very busy this term preparing for their Entry Level Assessments. We deliberately refrained from making a grand announcement to help prevent too many nerves, and our low-key approach seems to have worked! Although it is too early to announce results, we are very proud of all of our students for their hard work and dedication.

Other classes, have been learning maths and English through the context of World War 2 and on VE Day, Post-16 had a VE Day celebration. Our students helped decorate the whole place in red, white and blue!

In Digital Skills, students are completing a music festival project using all elements of Microsoft Office. They have designed their own logos and are using Excel spreadsheets and PowerPoint to design tickets and plan catering.

In PSHE, students have been talking about emotions and how emotional wellbeing affects physical wellbeing and vice versa. We have looked at ways to relieve stress through mindfulness and physical activity. In PE, students have played badminton in the Newbury College Sports Hall.

Lots has been happening outside of the classroom too. Our very own William made the final of the Base's 'My Wild Life' photo competition with his outstanding photo 'Nature's Window'.

Although we have missed some Mondays and consequently not cooked as much as we would have liked. Our beef lasagne and white chocolate and chocolate Malteser cheesecakes were simply delicious!

Have a great half term!

Maryjane, Siân, Ali, Chris, Laura
