Class Name: Thornbury Term: Summer 1 Term 5 2024-2025 Topic: Diversity

What we have been doing this term:

Thornbury have been super busy despite this being a shorter term! In Maths, we have explored shape, space & measure, looking at co-ordinates and circles. In English, we studied different argument texts. In Science, we looked at tissues & organs or space.

PSHE has focused on money this term and been very informative! In History, we explored the slave trade. We have started exploring different dietary requirements in Food Tech and cooked some delicious recipes, such as a fruit salad, savoury pancakes & naan bread.

We have all enjoyed our various offsites. Students have climbed higher than ever before; helped out with the animals at Smelly Wellies; practised our gymnastics skills at Parkour; learnt German; practised our sailing skills & explored the outdoor curriculum at Earth Trust!

Our highlights:

Sawyer- Cooking naan bread and going climbing

Fergus – going to Earth Trust & doing German lessons

Hugo – Making a solitaire board in DT and going to Earth Trust & Smelly Wellies

Jack – Dungeons & Dragons Club

Bly – Dungeons & Dragons Club

Thomas – Learning forward rolls in Parkour

Tia – going sailing

Some photos of us!

Dates & Points to remember:

Last day of term: 23rd May 2025

First day back: 2nd June 2025
