Class Name: Cardiff

Term: Term 5

2025-2026

Topic: Food Glorious Food

What we have been doing this term:

Our topic this term has been 'Food Glorious Food'. We've been exploring different foods each week based on colour!

Our sensory story this half term has been Handa's Surprise. We have been exploring some of the fruits from the story. We have also been matching symbols to the different characters/fruits.

In maths we have been focusing on money and number. We have been building our understanding of shopping through role-play. We gradually built up to taking on the role of shopper and shop-keeper.

The rebound trampoline has been back this half term! We've loved this therapy session. It's also been amazing for helping to develop our communication skills.

In art, we have been using different foods- such as apples and pasta to make marks in paint.

We have also been exploring teeth brushing with the story 'Alan's big scary teeth'.

We hope you have a wonderful half term.
