

# Classroom News

Class Name: Wallingford

Term 5 2025-2026

Topic: TRANSPORT

## What we have been doing this term:

Learning about transport this term we thought it was important to centre our learning about travelling around and exploring the community.

We used the Newbury and District App to look at bus routes, chose where we were going to travel to and find out prices we would need to pay. On the day, we used the same app to track the buses movements in real time! We enjoyed a play and picnic at Victoria Park before getting the Number 8 back to Newbury College.

Dan the train man from GWR took us on a train trip to Hungerford, this time we ordered our own tickets from the ticket office and tried to find enough money from a selection of notes and coins to cover the journey. We had a great time.

Our next, and final term of the year, is a really busy one with lots of trips and memories waiting to be made – please see dates below (some of are provisional at this stage of planning – p).

Have a wonderful half term break,

Emma, Michaela, Tracy, Sharon and Mav
