Class Name: Calshot

Term 5 2025-2026

Topic: Travel and Transport

What we have been doing this term:

Some photos of us!

This term in our topic lessons we have been looking at how and why we travel to different places. We have been learning how we can use the internet to help us when planning journeys. We have used google maps, the Trainline and Reading Bus websites to help us to compare the travel time and cost of a journey to Reading. We really enjoyed our 'Try a Train' journey with Dan to Reading and had a tour of the stations and how to buy tickets and find train times/platforms.

We visited Greenham Control tower and had a lovely walk on the Common. In PSHE we have been learning how to keep ourselves safe online. In particular, we have looked at online fraud and how to spot scam emails or scam websites and what you can do to help keep yourself safe.

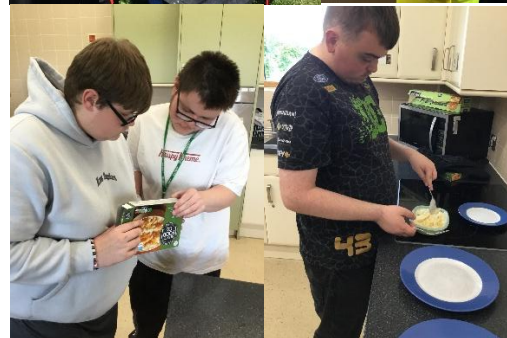

In cooking we have made some delicious dishes such as lemon shortbread, scones, naan breads and dips. We have also learnt about recommended portion sizes and how to read cooking instructions on packets. We have made food using the oven, air fryer and microwave.

In life lessons we have been practicing our home skills such as how to change beds, clean floors and what types of cleaning products are used for each job around the house. We even had a visit to Castle Gate where we helped prepare rooms for the next set of guests.

In ICT we have been learning how to send and receive emails. We have added a signature to our emails and added attachments. We have also had a go at using Teams for an online meeting.

Thank you for all your support this term.

Karen, Helen, Rachel, Lisa and Lorraine

Dates & Points to remember:

Last day of term: Friday 22nd May

First day back: Monday 1st June
