

# Classroom News

Class Name: Conisbrough

Term:

Term 5 2025-2026

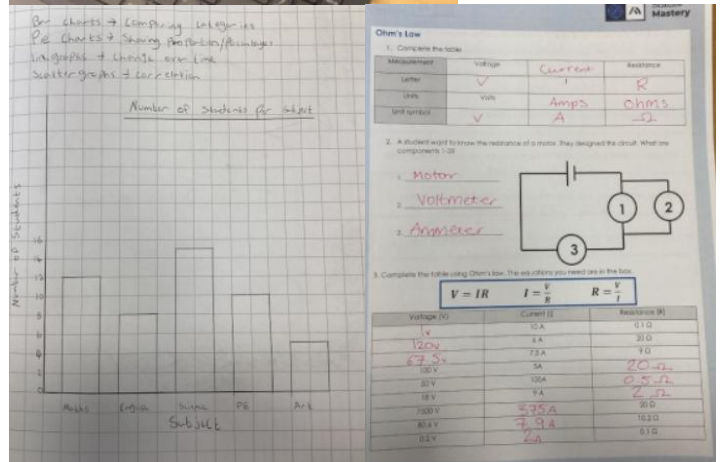

## What we have been doing this term:

## Some photos of us!

Conisbrough have been really busy working on their functional skills English and Maths, with many of ours preparing to undertake exams next term! We could not be prouder of all of our students.

They have all been working on their BTECs too. In PGW, they have been exploring social relationships. In World of Work, we have looked at job application skills. In Land-Based Studies, they have been studying the germination of plants. In Vocational Studies, we have looked at fundraising. In Science, we have been exploring resistance in circuits.

This has all been with our own individual timetables and fun offsites, such as fishing & climbing!

## Our highlights:

Izzy – walking around in nature

Jack – planning and teaching a cricket lesson

Jay-Lee – going to RAW Mentoring

Connor – going fishing with the school

Haydon – spending time with

Jordan outside of the classroom

Christopher – budgeting exercises

## Dates & Points to remember:

Last day of term:

First day back:
