

Classroom News

Class Name: Conway

Term : Summer 1 2026

Food Glorious Food

What we have been learning

Wow - what a fab half term it has been! Our topic this term has been Food Glorious Food and we used *The Very Hungry Caterpillar* by Eric Carle as our key text.

Conway Class have excelled this half term in all aspects of their learning, but the children have shown such an improvement in their focus, attention and engagement.

We have explored different foods, in particular fruits and vegetables, and also explored processes such as freezing and melting. The children even had a go at making their own toast and spreading butter onto it.

In English we have enjoyed listening to the story and matching labels to real food items. We have been busy using symbols and key vocabulary to communicate our wants and needs within our learning environment but also during adult led activities.

In Maths we have continued to count and order numbers as well as thinking about the days of the week and repeating patterns.

We continue to transition around the school and the children are becoming much more independent during these times. We are extremely proud of them all!

We hope you have a lovely week!
Catherine, Dani, Nikki, Faye & Katie

Important Dates:

Monday 1st June – Term 6 starts
Friday 5th June - Dr Siddiqui in school
Monday 15th June – School Photographer
Saturday 20th June – Castle Fest
Monday 22nd June - Orthoptist in school
Monday 29th June – Wheelchair Clinic
Tuesday 21st June – Term 6 ends
