

# Classroom News

**Class Name:** Barry

**Term :** Summer 1 2026

**Topic:** Food investigators

## *What's been going on?*

Here's just some of the things Barry class have been up to:

### English

We have been looking at the story *Handa's Surprise*. We started by reading through it and the staff acted out various parts using the props. As the weeks have gone on more students have been taking a part. Last week everyone in class took a part and played a role. Next we will be looking at the story sequencing and sentence structure alongside pages from the story.

### Maths

In maths everyone has continued working daily on their own targets. During our own maths lessons, we have focused on number recognition, number order and addition and subtraction using our favourite BBC number songs.

### Rebound

Everyone was very excited to see the trampoline had been fixed and Barry class are very much enjoying being back on exercising with Averil.

### PSHE

We have been looking at keeping healthy, including trying fruits. Everyone is getting so good at giving them a try and those that already love fruit have enjoyed these lessons greatly!

### Communication

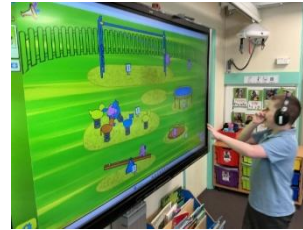

We have continued focusing on the core words in class and applying these in our daily routines. It has been wonderful to see how much everyone's communication continues to grow.

Have a wonderful half Term!

*The Barry Team*

## *Some photos of our learning*

There are lots more photos of our learning on Earwig!

## *Dates & Points to remember*

*Last day of term: 22<sup>nd</sup> May*

*Return to school: 1<sup>st</sup> June*

*Last day of summer term 2: 21<sup>st</sup> July*
