

Classroom News

Class Name: Pembroke

Term : Autumn 2 Christmas 2019

Whole School Topic: Colour

What we have been learning

In this busy second term we have continued to build our friendships in Pembroke Class and particularly in the last few weeks have been getting ourselves ready for Christmas!

English

In English we have been focusing on our fine motor skills through weekly Dough Disco sessions that everyone loves before a carousel of activities to strengthen hand muscles. We have also been working towards our speaking and listening goals and conversation skills through games and activities.

Maths

In Maths we have continued to look at number, counting out objects and working on addition problems. We have also been looking at length, exploring big and small, sorting objects and ordering a variety of things by size!

Christmas!

Since the beginning of December, Pembroke Class have been getting into the spirit of Christmas through our activity advent calendar. We've enjoyed making decorations, decorating the classroom, writing letters to Santa, making mince pies and a gingerbread house as well as lots of messy play opportunities!

Trips

We have continued to enjoy exploring our local community with trips to Thatcham Lakes to play in the park and walks around Snelmore Common building dens! We also enjoyed a trip to the cinema to watch 'A secret life of Pets 2' and to get a Christmas Tree from the local farm for Primary Hall!

Special Moments:

Pembroke Class were lucky to see Dick Whittington from M&M Theatricals in school! Everyone loved watching the actors and some of the class joined in for some of the dancing! Well done everyone ☺

We wish you all a very Merry Christmas!

Dates & Points to remember :

6th January – INSET DAY

7th January – First Day Back

5th February – SAP Parents Evening

7th February – NSPCC Number Day

14th February – Last Day of Term
