

Classroom News

Class Name: Wallingford

Term : Autumn Term 2

What we have been learning

It has been a great term for Wallingford.

Life skills this term has seen a greater look into independence and care. We have cooked, cleaned, ironed, discussed personal care. Wallingford have been looking at maps and calendars, planning trips to town and the retail park as well as researching interests and things to do in different towns. All skills and ideas that can help us in a life beyond college!

Ashton has very successfully launched his tuck shop. This tuck shop ties in very closely with his recycling project and his competitive prices are giving students and staff a great value and healthy opportunity at break times!

On the run up to Christmas, Wallingford have been busy creating, crafting and organising parts for the Christmas fair. This has been a great teamwork opportunity and has given the team a real sense of ownership.

We hope you all have a great holiday and see you back in January!

Wallingford class team

Special moments

- *Dan's shown great skill in Piano lessons, well done!
- *Brandon, Cameron and Kirk- A fantastic and hardworking team at Rushal farm this term!
- *Steph- A great start to her project on Nan Joyce!
