Class Name: Oxford Term : Autumn Term 2 Christmas 2019

What we have been learning:

Some photos of our learning

Sport

Josh, Ibrahim and Duncan took part in a football tournament. They played brilliantly against some very challenging teams and we were all proud at your resilience and determination.

Maddie and Josh took part in a scooter board tournament. Maddie took on the role of captain and organised the team brilliantly. The team worked so well together that they won!

Foodwise

We have been putting our cooking skills to very good use. At the very end of last term we cooked our own lunch, chicken and vegetable curry and rice, flat bread, mint and yoghurt dip and chocolate brownies. It was delicious and the class worked brilliantly as a team to create all the elements. We have also baked and decorated cakes and biscuits for Children in Need and the Christmas Fair.

We have also learnt how to cook eggs in lots of different ways and the pupils were able to demonstrate their independence when cooking. Well done everyone!

Christmas

Christmas is now in full swing! Ciara and Madison joined the choir to sing at the Save the Children carol service at St Nicolas Church. Well done both of you. We are very proud. The class have written and practised their part for the Christmas Production and have been making the required props. We also made beautiful Christmas decorations and lanterns which were on sale at the Christmas Fair. Maddie also tried on her costume for the play, in the grotto!

As you are aware, Oxford Class will have a new teacher, Terri, in January. So, I wanted to take this opportunity to wish you all a fantastic Christmas and I look forward to finding out what you will all be getting up to with Terri in the new year. Liz x

Magic Moments

Madison, we cannot tell you how proud we were when you stood in the centre of the stage during St Nic's carol service, singing and signing. You star!

Maddie, you were incredible during our lessons on fake news. You knew how to ask questions about what you were reading and were very logical when trying to decide if a story was real or fake.

Amy, you have been incredible during our Christmas performance preparations. Thank you!

Duncan, you were amazing making the lanterns. You worked swiftly and independently and your finished lanterns were brilliant. Well done.

Ryan your Pudsey cake was outstanding!

Dates- Pupils return to school on Tuesday 7th January
