

# Classroom News

Class Name: Tiverton

Term: Autumn 2 Christmas 2019

Topic: Colours

## What we have been learning this term:

This term has been very busy and we can't believe that it is nearly Christmas already!

**In English** we continued reading George's Marvellous Medicine. Everyone wrote their own adaptation thinking about how a story is structured, using a beginning, middle and end.

As December approached we started thinking about our Christmas play. All the class had an input and together they have written an amazing script. As some of you will be coming to watch it we won't tell you anymore and give the game away.

**In mathematics** we have worked hard on addition and subtraction. Some of us learnt how to add one and two digit numbers together and then progressed to adding and subtracting 10's from a two digit number. We then focused on our 2's, 5's and 10 times tables. This helped when we moved onto money – learning to add up amounts, giving change and checking our change.

As follow up lessons from our visit to The Botanical Gardens in Oxford. In **Art** we have been working with water colours to produce some beautiful pictures of flowers.

Everyone has enjoyed **P.E** this term. Learning the rules of netball and hockey.

We practised our money skills during a visit to town to buy a Secret Santa present for a classroom friend. Everyone amazed us and worked independently adding and telling the shop assistant how much change they should have!!

## Some photos of us!

## Dates & Points to remember:

- **Monday 6<sup>th</sup> January 2020 – Staff training – No school**
- **Tuesday 7<sup>th</sup> January – First day back of term 3**
- Wednesday 5<sup>th</sup> February – SAPs Parent's Evening 3.30pm-7.00pm
