

# Classroom News

Class Name: Flint

Term : Autumn 2 Christmas 2019

## What we have been doing

Merry Christmas everyone! Even with Christmas just round the corner Flint class students continue to be busy working, learning and exploring.

### Working-

Flint students have continued to work hard at their existing work experience placements, with some students gaining new placements which are going well and we can see their confidence growing each week.

### Learning-

Cooking on a Monday has remained a favourite for both students and staff. We have eaten some tasty dishes this term which have included a roast (with all the trimmings), pizza, chicken curry and lemon drizzle cake to name a few.

Students have now completed the volunteering part of their Duke of Edinburgh with brilliant results. One group helped to plan and arrange a disco/movie night which was a great success. Another group repeatedly went into town to ask for raffle donations, their fantastic efforts resulted in prizes which included meal vouchers, cinema tickets and gift cards. Other groups involved car washing- staff now have lovely clean, shiny cars and litter picking which has really helped to clean up the local area. Great job guys!

### Exploring-

Every Tuesday morning the students have worked on their Flint Café Enterprise project. This has involved researching different ways to present food, budgeting, working out costings, conducting customer research in the form of surveys, creating posters and menus, as well as deciding what to bake and sell on the day. Our Flint Café will be up and running next term every Friday 11 – 11.30, why not pop in for a coffee and a slice of cake.

Hope you have a lovely Christmas and we look forward to seeing you in the New Year.
