Class Name: Tiverton

Term: Christmas 2020

What we have been learning this term:

Tiverton class have been reading *The Lion, The Witch and The Wardrobe*:
We have used adjectives to describe what Lucy saw and how she felt the first time she entered Narnia. Here are some examples.....
"It felt icy and cold" "I felt scared but excited at the same time, wondering where I was and what I would find" "I could hear the snow crunching underneath my feet" "I saw snowy, white covered trees." "It was quiet and peaceful" I think you will admit the students used some very good adjectives!
We wrote a letter home to 'our parents' telling them about where we were living, who we were living with and how we were feeling.

In mathematics we have been learning about money: recognising coins and notes, adding different amounts together and using our subtraction knowledge to give change.

We celebrated Remembrance in class. Each of us made a poppy wreath and then on the 11th of November at 11 o'clock we had a 2 minutes silence. After that we put our wreaths up on the wall to Nimrod. To end our service we listened and watched Vera Lynn sing *The White Cliffs of Dover* and *We'll Meet Again*.

As our topic has been Winter we have also been learning about The Arctic and The Antarctic. Comparing the two Polar Regions.
We all enjoyed researching an Arctic animal with a peer on the iPad, finding out some interesting facts. Did you know that the Arctic fox is brown in the summer and turns white in the winter?

Renee has continued to teach us art, using lots of different medium to draw winter themed pictures.

We have also been cooking, having lots of exercise in the gym and during P.E as well as music and life skills.

As you can see we have been very busy and have had lots of fun!

From The Tiverton team.

Some photos of our learning

We wish you all a Very Merry Christmas and a Happy New Year!

Dates and events;

End of term: 18th December 2020

Staff training day 4th January 2021

Pupils return 5th January 2021
