

# Classroom News

Class Name: Chillingham

Term: Christmas

2020

## What we have been learning this term:

The children have all been working hard doing their English and Maths tasks at their workstations. In our Phonics circle time the children have been listening to different animal and environmental sounds and selecting the symbol to indicate what they can hear. Everyone has had great fun listening to all the different sounds.

In the afternoons we have continued with a range of: sensory, Art, music, bucket time and cooking activities. The children have also continued to build relationships with staff through activities they enjoy.

Oliver – “I have been enjoying playing games with an adult and exploring the musical instruments”

Bobby – “I have been exploring lots of different sensory materials and enjoyed making bread in cooking”

Amelia – “I have been sharing Peppa Pig books with an adult and asking them to read it again and again!”

Cameron – “I have enjoyed having a friend from another class join me for Art and visiting other classes”

Andrew – “I have enjoyed the different sensory materials and playing chase with an adult”

## Some photos of our learning

## Dates & Points to remember:

- Friday 18<sup>th</sup> December 2020 – Last day of term
- Tuesday 5<sup>th</sup> January 2020 – Start day of term
