Class Name: Oxford Term : Autumn Term 2 Christmas 2020

What we have been learning:

Some photos of our learning

## Oxford Café

We have been planning to open a café! We have learnt all about the different roles in a café and what skills we would need to work in a real one. We have been very busy learning how to fill in an application and even spent time planning and writing a personal statement. In our personal statement we looked at how to talk about ourselves positively and include only relevant information. It was very exciting to have an interview for our café job too. We prepared answers for typical questions and learnt how best to present ourselves. We are looking forward to practising our money skills when we visit Totnes' café next week!

## Cooking

We have had a busy term cooking lots of lovely things such as apple cakes, preparing baked apples and using our measuring skills to make up salt dough which we will paint in to beautiful Christmas decorations for our trees at home.

## Christmas!

As well as working on important life skills we have been having fun getting ready for Christmas and celebrating winter. We created these beautiful abstract winter paintings by layering up acrylic paint and mixing up different shades of blue and grey. We are really looking forward to our Blue Bubble Christmas party and have made a few games to keep everyone entertained. Using only cardboard, paint and glitter we have created 'pin the nose of Rudolf,' 'snowball score' and 'hoopla'. Have a happy Christmas everyone. 😊

Pupils will return to school on Tuesday January 5<sup>th</sup> 2021.
