

Classroom News

Class Name: Conway

Term : Christmas 2020

What we have been learning:

We have had a busy term. In English we have experienced three different sensory stories; Fireworks night, The Little Red Hen and We're going on a polar bear hunt. We have enjoyed exploring the sensory props.

In our Attention Autism (also known as bucket) sessions, we have developed our attention and turn taking skills. Highlights have been knocking down the snowman tower, and messy snow squirting.

We have explored lots of messy play and art sessions. Highlights have been paying our respects with our Remembrance messy play, and making Christmas decorations.

We have spent a lot of time developing our physical skills. A particular favourite, which we have built our confidence in, is using the spinners during morning exercise. We have also had great fun swooshing down the huge slide on the big playground.

The whole of Conway Team wish you all a very Merry Christmas and we look forward to seeing you all again in January when our learning will be based on 'To infinity and beyond' or in other words; space.

Dates to remember:

Term starts- Tues 5th January
