Class Name: Totnes

Term: Christmas

2020

## What we have been learning this term:

What another fantastic term we have had! We could not be prouder of everyone's achievements, effort and attitude this term.

In class, our café unit came to an end with us putting on our own Totnes Christmas Café for the rest of Blue Bubble! In the lead up to this, we had a Zoom chat with a real café manager to find out about the jobs in her café, we wrote job adverts, applied for the jobs and then had an interview! In Maths, we used our adding, multiplying, dividing and subtracting to solve café-related problems such as how much money we might take home in tips to how many people we could fit around a table.

In Music, we completed a piece of reggae work based around Bob Marley's song 'Three Little Birds'. In our final performance, we used glockenspiels and keyboards as well as our voices and we filmed it so that Charles (the music teacher) could see our progress- he was very impressed!

When using the kitchen, we have put our cooking skills to good use! Earlier in the term we baked cheese scones and pop-tarts. Then to get into the festive spirit, we have baked mince pies, sausage rolls, carrot and cheese stars and a roast Christmas dinner! All the food has been delicious but the Christmas dinner stands out to us all!

Once again, a huge well done to everyone on such a successful term. We wish you all a wonderful Christmas and here's to 2021!
