Class Name: Pendragon

Term: 2

Christmas

2020

What we have been learning this term:

We have had a really busy term!

We have learnt about lots of different festivals and important times of the year – Remembrance Day, Bonfire Night, Diwali, Thanksgiving, and now Christmas of course!

We have focussed all our learning around this across the curriculum, having lots of fun!! ☺

Our main highlight has got to be the Makaton Countdown to Christmas – we were chosen out of entries across the country!! Such a proud moment. We've beaten last year's number of views (it was sitting at 4k+ last time I checked!).

We've enjoyed all things Christmassy, even though things obviously look different this year.

I would like to take this opportunity to once again say a massive thank you for all your support – whether your child has been with me for the 1st, 2nd or 3rd year! I have loved every moment and this group of Dragons will always have a very special place in my heart. I have had more magic moments and prouder than I have ever been. I will miss everyone hugely, but am excited to hear how their journey continues with Nikki in January. They have all come so far and I am in no doubt they will show Nikki just how awesome they all are!!
