

# Classroom News

Class Name: Cardiff

Term : Christmas 2020

## What we have been learning:

We have had a busy term. In English we have read three different stories; Sparks in the sky, The Little Red Hen and Dear Santa. We have enjoyed exploring the props to retell each story.

In our Attention Autism (also known as bucket) sessions, we have developed our attention and turn taking skills. Highlights have been creating bubble snakes and decorating Christmas trees.

We have completed lots of practical art and cooking sessions. Highlights have been creating handprint poppies for Remembrance day, making chapattis for Diwali and decorating gingerbread biscuits.

We have spent a lot of time developing our physical skills. Highlights have been using the climbing tables and slide in the hall and testing out our new speedy, spinning trikes in the playground and the new exercise equipment in the hall.

Another highlight was creating a winter wonderland with flour in messy play. I am not sure who had more fun, the pupils or the staff.

Marley, Matthew and Benjamin all celebrate their 8<sup>th</sup> birthdays over the Christmas holidays. We hope you all have a lovely birthday.

The whole Cardiff Team wish you all a very Merry Christmas and we look forward to seeing you all again in January when our learning will be based on 'To infinity and beyond' or in other words; space.

Date to remember  
Term starts- Tues 5<sup>th</sup> January
